**Dear Parents,
Greetings from Trinity International School!**

We are proud to announce that we have been affiliated to the prestigious **Central Board of Secondary Education, CBSE** board. The trust and confidence which you have reposed on Trinity International School has enabled the School to grow at a remarkable pace over the past three years. In accordance with the Affiliation protocol, the School and staff underwent a rigorous round of inspection in July 2017 and emerged victorious as the School met all the requirements set by the CBSE Board. The CBSE inspectors spent quality time interacting with the staff and students during their visit. They highlighted that the School has got good infrastructure in wonderful vicinity in the lap of nature and students were productively engaged in a host of Academic & Co-Curricular activities that would contribute towards their holistic development.

We thank you for the incredible cooperation and support which you have been extending over the years. We assure you of our best services in the field of education at all times and hope your constant support in the future too.

**Regards
Principal
