

- The Senior Secondary School (Grades XI & XII) follows the CBSE curriculum. **CBSE** curriculum prepares students for the All India Senior School Certificate Examination at the end of grade XII. The official website of cbse( [www.cbse.nic.in](http://www.cbse.nic.in)) regularly publishes the detailed curriculum for grades IX to XII. Besides preparing students for higher education and career of their interest, the school encourages 21<sup>st</sup> Century learners to explore, innovate and express independently and confidently through curriculum based and co-curricular activities.
- At Senior Secondary Level, three streams are offered, Science, Commerce and Humanities. The following subject combinations are offered under the three streams:

<b>SCIENCE STREAM (Non-medical)</b>	<b>SCIENCE STREAM (Medical)</b>	<b>COMMERCE STREAM</b>	<b>HUMANITIES STREAM</b>
